Architectural Control and Protective Covenants and Restrictions

3.1. For all buildings or other improvements of any kind or nature to be constructed, erected or placed on any lot, including outlots, subject to this Declaration, the plans, specifications, site, grading and landscaping plans for all such buildings must be submitted to the Developer or the Design Review Committee, whichever is then applicable, for written approval as to appearance, the quality of workmanship and materials, attractiveness and harmony of exterior design, including exterior colors, size, location with respect to topography and finish grade elevation, height of improvements, site layout, roof pitch, location of improvements and amount, quality and nature of landscaping, and design and construction of the substructure of any structure, prior to commencement of any construction on any lot. All buildings erected on the Property shall have a minimum roof pitch of not less than 6/12 pitch, but a variance from this minimum may be granted by the Developer or the Design Review Committee, whichever is then applicable, in their discretion. No buildings or other improvements may be constructed, erected or placed on any lot other than in accordance with the approved documents. No buildings or other improvements to any lots (other than outlots) shall be approved unless such buildings or other improvements comply with the terms of Exhibit A attached hereto and made a part hereof, except that said Exhibit A does not apply to Lot 1, Block 1, Lots 7-21, Block 2, and Lots 1-5 and 19, Block 3. All building fascia shall be a minimum of 10" in width and shall be of a natural product or give the same effect. The Developer or the Design Review Committee shall have the right to require brick, stone, shutters, corner boards and/or other items which it deems necessary to be added to any building plan.

3.2. After the Developer and its successors and assigns cease to have any title to any lot subject to this Declaration, the plans, specifications, site, grading and landscaping plans, and all other matters to be submitted to the Developer under these Covenants, Conditions, Restrictions and Easements, must be submitted to the Design Review Committee ("Committee") for approval in writing by a majority of the members of said Committee. The Committee shall consist of three persons, elected by the Board of Directors of the Savannah Village Community Association, Inc., ("Association") in accordance with the By-Laws of such Association, for terms of one (1) year each. In the event of the failure of the Association to elect a Committee in any year, the most recently elected members shall continue to serve until successors are duly elected.

3.3. For each building constructed, erected or placed on any lot, including outlots, subject to this Declaration, the prime contractor or builder to be hired for construction of such building shall be approved in writing by the Developer or the Committee, whichever is then applicable, prior to commencement of construction. The approval of the Developer or the Committee shall not be unreasonably withheld. Such approval may be withheld for reasons such as the proposed contractor's or builder's financial status, business history and prospects, building reputation or any other reason which would be similarly relied upon by a reasonably prudent businessman then developing a neighborhood of quality single family residences.

3.4. No alteration in the exterior appearance, design, exterior color, size, location with respect to topography and finish grade elevation, height of improvements, site layout, roof pitch, location of improvements and amount, quality and nature of landscaping, and design and construction of the subsurface of any existing buildings or improvements, including but not limited to, any exterior remodeling and the construction of patios, decks, and swimming pools, shall be made without the prior written approval of the Developer or the Committee, whichever is then applicable. No alteration of any lots (other than outlots) shall be approved unless such buildings or other improvements comply with the terms of Exhibit A attached hereto and made a part hereof, except that said Exhibit A does not apply to Lot 1, Block 1, Lots 7-21, Block 2, and Lots 1-5 and 19, Block 3.

3.5. The existing vegetation of each lot (including outlots) subject to this Declaration, including trees of a diameter of three (3) inches or greater, shall not be destroyed or removed except as approved in writing by the Developer or the Committee, whichever is then applicable. In the event such vegetation is removed or destroyed without approval, the Developer or Committee may require the replanting or replacement of same, the cost thereof to be borne by the Owner.

3.6. The elevation of a lot or outlot shall not be changed so as to materially affect the surface elevation or grade of the surrounding lots. A copy of all site, grading and landscaping plans shall be kept by the Developer or the Committee for the benefit of other purchasers in planning their individual elevations. Violations of the

approved site, grading or landscaping plans shall give either the Developer or Committee, whichever is then applicable, or any adjacent lot owner within the Property, a cause of action against the person violating such site, grading or landscaping plan for injunctive relief or damages as appropriate. No earth, rock, gravel, or clay shall be excavated or removed from any lot within the Property (including outlots) without the approval of the Developer or the Committee, whichever is then applicable.

3.7. Except for Lot 1, Block 1, Lot 19, Block 3, and Lot 7, Block 2, within the Property, all lots within the Property (other than outlots) shall be used only for single family residential purposes, except that Developer may continue to use lands owned by Developer for present agricultural purposes and uses. Lot 1, Block 1, and Lot 19, Block 3, shall be used for residential and/or commercial uses consistent with the General Development Plan heretofore approved by the Village of Waunakee for the Property, as may be amended from time-to-time, and the Specific Implementation Plan with respect to such lots, to be approved hereafter by the Village of Waunakee, as may be amended from time-to-time. Lot 7, Block 2, shall be used only for residential purposes, including, but not limited to, condominium development purposes consistent with the General Development Plan heretofore approved by the Village of Waunakee for the Property, as may be amended from time-to-time, and the Specific Implementation Plan for such lot, to be approved hereafter by the Village of Waunakee, as may be amended from time-to-time.

The following minimum floor area requirements shall apply to all detached single-family residential buildings erected on any lots subject to this Declaration:

- (a) No single story building shall have less than 1200 square feet.
- (b) No two-story building shall have less than 1600 square feet.
- (c) No raised ranch, bi-level, or tri-level building shall have less than 1200 square feet on the main level.

For the purposes of determining floor area, stair openings shall be included, but open porches, screened porches, attached garages, and basements, even if the basements are finished, shall be excluded.

The above minimum floor area requirements may be waived by the Developer or the Committee, whichever is then applicable, in the event the proposed architecture and quality of the house is such as to present an attractive appearance compatible with other houses within the Property, in the judgment of the Developer or the Committee.

3.8. All detached, single-family residential buildings must have an attached garage, and such garage must contain not less than one (1) nor more than three (3)

automobile garage stalls, but the foregoing requirements, including the attachment requirement, may be waived by the Developer or the Committee, in whole or in part, whichever is then applicable, in their discretion.

3.9. No building previously erected elsewhere may be moved onto any lot subject to this Declaration, except new prefabricated construction which has been approved by the Developer or the Committee, whichever is then applicable, in their discretion.

3.10. Unless waived by the Developer or the Committee, whichever is then applicable, when suitable alternative paving materials are used, all driveways and alleys (including driveways located on outlots) must be paved with concrete. No more than two (2) domestic animals may be kept on any lot subject to this Declaration, except that on Lot 1, Block 1, Lot 19, Block 3, and Lot 7, Block 2, of the Property, no more than two (2) domestic animals may be kept per dwelling or business unit on such lots. Commercial animal boarding, kenneling or treatment is expressly prohibited, whether for free or not, within the Property.

3.11. Accessory buildings or structures, including, but not limited to, storage sheds, detached garages and above ground swimming pools, are expressly prohibited within the Property except where approved in writing in advance by the Developer or Committee, whichever is then applicable, in their sole discretion.

3.12. Where public sidewalks exist, it is the responsibility of the abutting lot owner (including the owners of any outlots) to maintain same in a safe and passable condition, reasonably free from snow, ice or obstruction.

3.13. No trailer, basement, tent, shack, garage, barn, or any part thereof, shall ever be used as a residence, temporary or permanent, nor shall any residence be of a temporary character.

3.14. Parking of commercial or service vehicles owned or operated by residents within the Property, whether on lots, outlots or in the public street with the Property, is prohibited unless such vehicles are kept in garages. Storage of boats, travel trailers, mobile homes, campers, and other recreational vehicles within the Property is prohibited unless kept inside garages. This section shall not prohibit the temporary parking or storage of such vehicles for the sole purpose of loading or unloading such vehicles at the lot at which parked, for a period not to exceed twenty-four (24) hours. No cars, boats or other vehicles shall be parked on lawns or yards at any time.

3.15. All areas of lots (including outlots) not used as a building site or lawn or under cultivation as a garden shall have a cover crop or be so cultivated or tended as to keep such areas free from noxious weeds. All lots (including outlots), and all buildings and other improvements thereon, shall be kept in good order and repair and

free of debris, including, but not limited to, the mowing of all lawns, the pruning of all trees and shrubbery and the painting (or other external care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management. This paragraph shall not be construed to prevent a family garden or orchard, provided that all family gardens and orchards shall be located in the back yards.

3.16. On any lot conveyed by land contract or deed from the Developer, construction shall be commenced within one (1) year from the date of such land contract or deed. Upon violation of this restriction, the Developer shall have the option, exercisable by written notice to the lot owner within ninety (90) days after the expiration of such one (1) year period, to have said lot (and any appurtenant rights in any outlot, if any) conveyed to the Developer at the original sales price, free and clear of any liens and encumbrances created by act or default of the Owner of such lot, with taxes and installments on assessments for the year in which conveyance occurs being prorated as of the date of such conveyance. Developer may waive its rights under this section in writing, in its discretion.

3.17. Construction of all buildings shall be completed within six (6) months after issuance of a building permit for the respective building. Landscaping (including grading, sodding, and seeding) and paving of driveway shall be completed, in accordance with the approved landscaping plan, within one hundred eighty (180) days of completion of construction, provided weather conditions so allow. If such construction or landscaping is delayed due to matters beyond the control of the lot owner, the time for completion shall be extended by the period of such delay.

3.18. Except to the extent that this prohibition is limited by federal law or regulations, no exterior antennas, satellite dishes, solar panels, wind mills, walls or fences of any kind shall be permitted within the Property unless approved in writing in advance by the Developer or the Committee, whichever is then applicable, including approval of the location, material, height, size and color thereof.

3.19. No noxious or offensive trade or activity shall be carried on within the Property, nor shall anything be done which may be or will become a nuisance to the neighborhood. This shall not be construed to prevent a family garden or orchard, provided that all family gardens and orchards shall be located in back yards.

3.20. The elevation of any utility easement within the Property may not be changed in excess of six (6) inches without the permission of all of the applicable utilities, and any party making such change shall be responsible for any damages caused to underground utilities based on any changes in grade of more than six (6) inches.

3.21. No lot or outlot as platted shall be resubdivided, except with the approval of the Developer or the Committee, whichever is applicable. No boundary line within

the Property shall be changed, except with the approval of the Developer or the Committee, whichever is then applicable. This section shall not be construed to prevent the use of one lot and part or all of another lot or lots as one building site.

3.22. No signs of any type shall be displayed to public view on any lot (including outlots) without the prior written consent of the Developer or the Committee, whichever is then applicable, except for (a) lawn signs of not more than six (6) square feet in size advertising the property where located for sale, and (b) signs erected by Developer advertising lots within the Property for sale.

3.23. All buildings and other improvements constructed on any lots subject to this Declaration shall conform to all governmental zoning requirements and all side yard, rear yard, setback and other requirements imposed under the General Development Plan for Savannah Village, as heretofore approved by the Village of Waunakee, and as amended from time-to-time hereafter, and the Specific Implementation Plan for the applicable lot or lots (including outlots) in Savannah Village, as approved hereafter by the Village of Waunakee, as amended from time-to-time.

3.24. No swale, drainage way, or stormwater detention area within the Property, whether established by easement or not, which is in existence at the time of development on any lot or outlot on the Property, shall be re-graded or obstructed, so as to impede the flow of surface water across such swale or drainage way, or interfere with the proper functioning of any such swale, drainage way or stormwater detention area, and no structure, planting or other materials shall be placed or permitted to remain within any such swale, drainage way or stormwater detention area.

3.25. The following landscaping requirements apply to all lots and outlots within the Property:

- (a) Front and side yards must be sodded, including street terraces, except that the Developer or the Committee, whichever is then applicable, may permit the front yard and side yard to be seeded where weather conditions permit and appropriate alternative materials and practices are employed, in their discretion.
- (b) Rear yard areas which are not sodded must be seeded.
- (c) Landscape plantings and maintenance of the premises and adjoining street terrace shall be the responsibility of the lot or outlot owner(s). Complete visual screening of the front, rear or side of any lot or outlot is prohibited without approval of the Developer or the Committee, whichever is then applicable. Lawn trees shall be planted within 45 days of occupancy of the residence, or upon completion of construction,

whichever occurs first, except that trees are not required to be planted during the winter months when the ground is frozen, but shall be planted as soon as weather conditions permit.

- (d) The landscaping plan for each lot (other than outlots) shall achieve a minimum of 700 landscaping points as determined by the following point schedule. No more than 200 points total shall be allowed for any combination of walls and fences:

<u>Landscaping Element</u>	<u>Point Value</u>
Canopy Tree (2"-3" caliper at least 18 inches)	125
Canopy Tree (3"-4" caliper at least 18 inches)	150
Canopy Tree (greater than 4" at 18 inches)	200
Canopy Tree or Small Tree (1"-1-½" caliper at 18 inches, i.e., Crab, Hawthorn)	100
Evergreen Tree (4 to 6 feet in height)	100
Large Deciduous Shrub (3-yr. transplant, 36" min.)	20
Small Deciduous Shrub (3-yr. transplant, 18" min.)	10
Decorative Wall (per face foot)	5
Rail Fence (per lineal foot)	1

3.26. The Developer, after a period of ten (10) years from the date of recording the final Plat or after seventy-five (75%) of the lots within the Property (other than outlots) have been sold, whichever occurs first, may elect to assign all of the Developer's rights to approve all of the items set forth in Article 3 hereof to the Committee.

3.27. Article 3 hereof shall run with the land and shall be binding upon and inure to the benefit of all persons having an interest in the Property for a period of thirty (30) years after the Plat is recorded, after which time Article 3 of this Declaration shall automatically stand renewed for successive five (5) year periods unless the same is canceled as provided in Section 3.28 below. If any person, or his heirs, successors or assigns, shall violate or attempt to violate any of the covenants and restrictions contained in Article 3 hereof while Article 3 hereof is effective, the Developer, the Committee or any person or persons owning any lot or lots within the Property, and in the case of Sections 3.21, 3.24, 3.25(c) or (d), 3.33, 3.34, 3.36, 3.37, 3.38, 3.39, 3.40, 3.41, 3.42, 3.43, 3.44, 3.45, 3.46, 5.7, 5.12 and 5.15 hereof, the Village of Waunakee, shall have standing to bring proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants or restrictions, and the prevailing party shall be awarded reasonable actual attorney fees and costs, and any person violating any of these covenants or restrictions shall be liable for all costs of removing any such violation. The Village of Waunakee shall not be required to take any action hereunder.

3.28. Article 3 hereof, or any part thereof, may be canceled, released, amended, or waived in writing as to some or all of the lots subject to this Declaration by an instrument signed by the Developer and the Owners of a majority of the lots (other than outlots) subject to this Declaration, or if the Developer's rights under Article 3 of this Declaration have been assigned to or assumed by the Committee, then by an instrument in writing signed by the Owners of a majority of the lots (other than outlots) subject to this Declaration, but no provisions of Sections 3.21, 3.24, 3.25(c) or (d), 3.33, 3.34, 3.36, 3.37, 3.38, 3.39, 3.40, 3.41, 3.42, 3.43, 3.44, 3.45, 3.46, 5.7, 5.12 and 5.15 hereof may be canceled, released, amended or waived without the written consent of the Village of Waunakee.

3.29. Invalidation of any one of these covenants or any severable part of any covenant, by judgment or court order, shall not affect any of the other provisions, which shall remain in full force and effect, and the provision so invalidated shall be deemed reformed to the extent possible to cure any such default.

3.30. In the event the Developer or the Committee, whichever is then applicable, does not affirmatively approve or reject the plans, specifications and site, grading and landscaping plans, the prime contractor or builder, alterations, or any other matters which must be submitted to the Developer or Committee, within thirty (30) days after the same have been submitted to the approving authority in writing, then such approval shall be deemed granted in such instance. The Developer or the Committee may condition any such approval upon the owner reimbursing the Developer or the Committee for the actual, reasonable costs incurred by the Developer or the Committee for architectural or engineering services which were required to review any proposal before the Developer or the Committee.

3.31. In exercising any authority under Article 3 of this Declaration, the Developer or Committee, as appropriate, shall act in accordance with the following standards:

- (a) to assure the most appropriate development and improvement of the Property;
- (b) to protect each Owner of a lot against improper uses by other lot owners;
- (c) to preserve the beauty of the Property;
- (d) to guard against the erection of poorly designed or poorly proportioned structures, or structures built of improper or unsuitable material;
- (e) to encourage and secure the erection of attractive, adequate sized homes, which are attractive, and conform and harmonize in external design with other structures within the Property, and which are properly

located upon the lot in accordance with its topography and finished grade elevation; and

- (f) to provide for high quality improvements which will protect the investments of purchasers of lots.

3.32. The Developer and the Committee shall not be liable for any loss suffered by any person on the basis of the approval or disapproval of any proposed use, plans, specifications, site, grading or landscaping plan or other matter, including any loss arising out of the negligence of the Developer or Committee.

3.33. If any Owner shall violate or attempt to violate any covenant or restriction with regard to drainage swales, drainage ways or stormwater detention areas, the Developer, the Committee, the Village of Waunakee or any affected lot owner shall have standing to bring proceedings at law or in equity against the person or persons violating or attempting to violate such covenant or restriction or failing to perform such duties, and shall be awarded appropriate relief, including reasonable, actual attorney fees and costs, to remedy said violation. The Village of Waunakee shall not be required to take any action hereunder.

3.34. The Owner of any lot within the Property which abuts upon or is adjacent to land used for farming or grazing purposes (other than lands used by Developer for such purpose) shall erect and maintain, if requested by the adjacent property owner, a partition fence, satisfying the requirements of the Wisconsin Statutes for a legal and sufficient fence, between the Owner's lot and the adjacent land, without cost to the adjoining property owner, so long as the adjoining land is used for farming or grazing purposes. The Developer, the Committee or the Village of Waunakee shall have standing to bring proceedings at law or in equity against the Owner of such lot, and shall be awarded appropriate relief, including reasonable, actual attorney fees and costs, in the event of any violation hereof. The Village of Waunakee shall not be required to take any action hereunder.

3.35. While the Developer retains ownership of any lots within the Property, the Developer reserves the right to submit some or all of said lots and related outlots as a site for the Parade of Homes of the Madison Area Builders Association. In the event some or all of said lots and related outlots are selected as a site for the Parade of Homes by the Madison Area Builders Association, this Declaration of Covenants, Restrictions and Conditions shall, as to the lots and outlots enrolled in the Parade of Homes, for the limited period of time commencing 48 hours prior to the commencement of the Parade of Homes and ending 48 hours after the conclusion of said Parade of Homes, be deemed temporarily altered and modified, to the extent necessary, to permit the Madison Area Builders Association to hold its Parade of Homes in the Property, pursuant to the then current Parade of Homes Rules and Developer's Checklist of the Madison Area Builders Association. All purchasers of lots within the Property, and their successors and assigns, shall take title subject to this

specific reservation by the Developer and shall waive all rights to object to violations of this Declaration by Developer, the Madison Area Builders Association, or any of the builders or participants in such Parade of Homes during the period of such Parade(s) as set forth above.

3.36. The Savannah Village Community Association, Inc. shall be responsible for mowing and maintaining the traffic island located within the right-of-way of Kentlands Court. The traffic island shall be maintained in a workmanlike and attractive manner, and kept free of debris, litter and refuse. Maintenance may be performed by one or more of the members of the Association, or may be contracted out to one or more independent contractors. Each owner of Lots 44 through 49, Block 4, shall be liable for such owner's one-sixth (1/6) share of the reasonable cost of any such maintenance and repair work. The Association shall bill each such lot owner from time-to-time, but not less often than annually, for such owner's share of the costs incurred by the Association hereunder, which shall be payable upon demand. The Association shall have a lien on the lot of any such owner (including any interest of such owner in any applicable outlot) where such owner has failed or refused to pay all or any part of the sums payable and assessed pursuant to the provisions of this section. Such lien will be junior to and in no way impair the lien or charge of any first mortgage on a lot, whether recorded before or after the recording of this instrument. The lien may be perfected and foreclosed in such manner as is permitted by law in the name of the Association. Any such lot owner shall be entitled to a statement from the Association setting forth any unpaid obligations of such lot owner. If the Association does not provide such statement within ten (10) business days after the lot owner's request, the Association shall be barred from claiming any lien which is not filed prior to such request.

3.37. The Association shall be responsible for mowing and maintaining the traffic island located within the right-of-way of Kohler Court. The traffic island shall be maintained in a workmanlike and attractive manner, and kept free of debris, litter and refuse. Maintenance may be performed by one or more of the members of the Association, or may be contracted out to one or more independent contractors. Each owner of Lots 17 through 22, Block 4, shall be liable for such owner's one-sixth (1/6) share of the reasonable cost of any such maintenance and repair work. The Association shall bill each such lot owner from time-to-time, but not less often than annually, for such owner's share of the costs incurred by the Association hereunder, which shall be payable upon demand. The Association shall have a lien on the lot of any such owner (including any interest of such owner in any applicable outlot) where such owner has failed or refused to pay all or any part of the sums payable and assessed pursuant to the provisions of this section. Such lien will be junior to and in no way impair the lien or charge of any first mortgage on a lot, whether recorded before or after the recording of this instrument. The lien may be perfected and foreclosed in such manner as is permitted by law in the name of the Association. Any such lot owner shall be entitled to a statement from the Association setting forth any unpaid obligations of such lot owner. If the Association does not provide such

statement within ten (10) business days after the lot owner's request, the Association shall be barred from claiming any lien which is not filed prior to such request.

3.38. The Association shall be responsible for mowing and maintaining the traffic island located within the right-of-way of Nantucket Court. The traffic island shall be maintained in a workmanlike and attractive manner, and kept free of debris, litter and refuse. Maintenance may be performed by one or more of the members of the Association, or may be contracted out to one or more independent contractors. Each owner of Lots 7 through 12, Block 4, shall be liable for such owner's one-sixth (1/6) share of the reasonable cost of any such maintenance and repair work. The Association shall bill each such lot owner from time-to-time, but not less often than annually, for such owner's share of the costs incurred by the Association hereunder, which shall be payable upon demand. The Association shall have a lien on the lot of any such owner (including any interest of such owner in any applicable outlot) where such owner has failed or refused to pay all or any part of the sums payable and assessed pursuant to the provisions of this section. Such lien will be junior to and in no way impair the lien or charge of any first mortgage on a lot, whether recorded before or after the recording of this instrument. The lien may be perfected and foreclosed in such manner as is permitted by law in the name of the Association. Any such lot owner shall be entitled to a statement from the Association setting forth any unpaid obligations of such lot owner. If the Association does not provide such statement within ten (10) business days after the lot owner's request, the Association shall be barred from claiming any lien which is not filed prior to such request.

3.39. The Association shall be responsible for mowing and maintaining the traffic island located within the right-of-way of Nakoma Court. The traffic island shall be maintained in a workmanlike and attractive manner, and kept free of debris, litter and refuse. Maintenance may be performed by one or more of the members of the Association, or may be contracted out to one or more independent contractors. Each owner of Lots 32, 33, 34, 35, 36 and 37, Block 4, shall be liable for such owner's one-sixth (1/6) share of the reasonable cost of any such maintenance and repair work. The Association shall bill each such lot owner from time-to-time, but not less often than annually, for such owner's share of the costs incurred by the Association hereunder, which shall be payable upon demand. The Association shall have a lien on the lot of any such owner (including any interest of such owner in any applicable outlot) where such owner has failed or refused to pay all or any part of the sums payable and assessed pursuant to the provisions of this section. Such lien will be junior to and in no way impair the lien or charge of any first mortgage on a lot, whether recorded before or after the recording of this instrument. The lien may be perfected and foreclosed in such manner as is permitted by law in the name of the Association. Any such lot owner shall be entitled to a statement from the Association setting forth any unpaid obligations of such lot owner. If the Association does not provide such statement within ten (10) business days after the lot owner's request, the Association shall be barred from claiming any lien which is not filed prior to such request.

3.40. Outlot 2, Block 2, shall be used solely for purposes of vehicular and pedestrian ingress and egress to Lots 8 through 11, Block 2, and for purposes of providing a landscaped setback and public utilities from Bluebird Trail for Lots 8 through 11, Block 2. Each owner of Lots 8 through 11, Block 2, shall own an undivided one-fourth (1/4) interest in Outlot 2, Block 2, which undivided interest shall be appurtenant to such lots, and no interest in Lots 8 through 11, Block 2, shall be held, sold, conveyed or transferred without the appurtenant undivided one-fourth (1/4) interest in Outlot 2, Block 2, being also held, sold, conveyed or transferred therewith. No building or structure shall be erected or placed on or above the surface of Outlot 2, Block 2, but this shall not prohibit the construction of ornamental fences and gates, fountains, ornamental lamps, benches or other structures of a similar nature, provided such structures are approved by the Developer or the Committee, whichever is applicable, and such structures provide an aesthetically pleasing and attractive environment within Outlot 2, Block 2. Any areas not paved or planted with trees, shrubs or flowers on Outlot 2, Block 2, shall be sodded, including street terraces. Landscape plantings, sodding and maintenance of Outlot 2, Block 2, shall be the responsibility of the owners of Lots 8 through 11, Block 2, at their expense, with the cost thereof to be shared equally among the owners of Lots 8 through 11, Block 2, in accordance with the procedures of Article 5 hereof. 3.41. Outlot 3, Block 2, shall be used solely for purposes of vehicular and pedestrian ingress and egress to Lots 12 through 15, Block 2, and for purposes of providing a landscaped setback and public utilities from Bluebird Trail for Lots 12 through 15, Block 2. Complete visual screening of the front, side or rear boundaries of Outlot 3, Block 2, is prohibited without the approval of the Developer or the Committee, whichever is then applicable. Developer shall only be responsible for such improvements with respect to Outlot 3, Block 2, as the Developer, in Developer's discretion, elects to construct or install, except to the extent required by written agreement between the Developer and one or more owners of Lots 12 through 15, Block 2; all other improvements to Outlot 3, Block 2, shall be the responsibility of the subsequent owners of such outlot.

Each owner of Lots 16 through 21, Block 2, and Lots 1 through 5, Block 3, shall own an undivided one-eleventh (1/11) interest in Outlots 4 and 5, Block 2, and Outlots 1 and 2, Block 3, which undivided interests shall be appurtenant to all of such lots, and no interest in Lots 16 through 21, Block 2, or Lots 1 through 5, Block 3, shall be held, sold, conveyed or transferred without the appurtenant undivided one-eleventh (1/11) interest in Outlots 4 and 5, Block 2, and Outlots 1 and 2, Block 3, being also held, sold, conveyed or transferred therewith. No building or structure shall be erected or placed on or above the surface of Outlots 4 and 5, Block 2, or Outlots 1 and 2, Block 3, but this shall not prohibit the construction of ornamental fences and gates, fountains, ornamental lamps, benches or other structures of a similar nature, provided such structures are approved by the Developer or the Committee, whichever is applicable, and such structures provide an aesthetically pleasing and attractive environment within Outlots 4 and 5, Block 2, and Outlots 1 and 2, Block 3. Any areas not paved or planted with trees, shrubs or flowers on Outlots 4 and 5, Block 2,

or Outlots 1 and 2, Block 3, shall be sodded, including street terraces. Maintenance with respect to Outlots 4 and 5, Block 2, and Outlots 1 and 2, Block 3, may be performed by one or more members of the Association, or may be contracted out to one or more independent contractors. Each owner shall be liable for such owner's one-eleventh (1/11) share of the reasonable cost of any such work. The Association shall bill each such lot owner from time-to-time, but not less often than annually, for such owner's share of the costs incurred by the Association hereunder, which shall be payable upon demand. The Association shall have a lien on the lot of any such owner (including the interest of such owner in any applicable outlot) where such owner has failed or refused to pay all or any part of the sums payable and assessed pursuant to the provisions of this section. Such lien will be junior to and in no way impair the lien or charge of any first mortgage on a lot, whether recorded before or after the recording of this instrument. The lien may be perfected and foreclosed in such manner as is permitted by law in the name of the Association. Any such lot owner shall be entitled to a statement from the Association setting forth any unpaid obligations of such lot owner. If the Association does not provide such statement within ten (10) business days after the lot owner's request, the Association shall be barred from claiming any lien which is not filed prior to such request. 3.43. The owners of Lot 7, Block 2, Lot 16, Block 2, and Lot 5, Block 3, shall each be responsible for maintenance of the thirty (30) foot railroad buffer strip and plant screening area located at the southwesterly most portion of each of such lots, at the sole expense of each of such owners with respect to the portion of such strip on such owner's lot. No building or structure shall be erected or placed on or above the surface of such thirty (30) foot railroad buffer strip and plant screening area. Each

such owner shall keep such thirty (30) foot buffer strip and plant screening area free of debris, litter and refuse, and landscaped in an attractive and workmanlike manner.

3.44. The owner of Lot 7, Block 2, shall be responsible for maintenance of the easement for stormwater detention purposes located at the southeasterly corner of such lot, at the sole expense of such owner. No building or structure shall be erected or placed upon or above the surface of such easement for stormwater detention purposes. Each such owner shall keep such easement for stormwater detention purposes free of debris, litter and refuse, and landscaped in an attractive and workmanlike manner.

3.45. The Association shall be responsible for mowing and maintaining the traffic island located within the right-of-way of Amana Court. The traffic island shall be maintained in a workmanlike and attractive manner, and kept free of debris, litter and refuse. Maintenance may be performed by one or more members of the Association, or may be contracted out to one or more independent contractors. Each owner of Lots 13 through 17, Block 2, shall be liable for such owner's one-fifth (1/5) share of any such maintenance and repair work. The Association shall bill each such lot owner from time-to-time, but not less often than annually, for such owner's share of the costs incurred by the Association hereunder, which shall be payable upon demand. The Association shall have a lien on the lot of any such owner (including any interest of such owner in any applicable outlot) where such owner has failed or refused to pay all or any part of the sum payable and assessed pursuant to the provisions of this section. Such lien will be junior to and in no way impair the lien or charge of any first mortgage on a lot, whether recorded before or after the recording of this instrument. The lien may be perfected and foreclosed in such manner as is permitted by law in the name of the Association. Any such lot owner shall be entitled to a statement from the Association setting forth any unpaid obligations of such lot owner. If the Association does not provide such statement within ten (10) business days after the lot owner's request, the Association shall be barred from claiming any lien which is not filed prior to such request.

3.46. The Association shall be responsible for maintenance of Outlot 1, Block 2, and Outlot 1, Block 4, for private park purposes, at the sole expense of such Association. The Association shall be responsible for the maintenance of the boulevard entrance to Audubon Avenue at the sole expense of such Association. No building or structure shall be erected or placed on or above the surface of Outlot 1, Block 2, or Outlot 1, Block 4, without the consent of the Developer or the Committee, whichever is then applicable. No building or structure shall be erected or placed on or above the surface of that portion of Outlot 1, Block 4, which is designated as "walk." The Association shall keep Outlot 1, Block 4, Outlot 1, Block 2 and the boulevard entrance to Audubon Avenue, free of debris, litter and refuse and landscaped in an attractive and workmanlike manner. In addition, the Association shall be responsible for maintenance and repair of the strip of land noted as "Dedicated to the Public" which intersects with Bluebird Trail to the northeast and abuts the Union Pacific

Railroad property at the southwest, and is located between Lot 21, Block 2, and Lot 1, Block 3, but such obligation shall extend solely to maintenance and repair of the surface thereof and the Association shall have no responsibility with respect to any public utility located therein. In the event that such lands so noted as "dedicated to the public" interconnect with any public right-of-way to the southwest of such strip of land beyond the boundaries of the subdivision, or in the event that such strip of land is used for access to any railway station located on the abutting railroad line, such obligation for maintenance and repair on the part of the Association shall terminate, although the Association voluntarily may continue to conduct such maintenance and repair activities thereon with the consent of the Village of Waunakee.

Common Areas; Entrance Sign; Design Review Committee

4.6. Acquisition of Common Areas. The Association may take title from time-to-time to real property within the Property or outside of the Property for the purpose of providing common areas for the use and benefit of the members, and shall take title to Outlot 1, Block 2, Outlots 4 and 5, Block 2, Outlots 1 and 2, Block 3, and Outlot 1, Block 4. Assessments

4.11. Creation of Lien and Personal Obligation of Assessments. The Developer hereby covenants, and each Owner of any lot within the Property (other than outlots and Lot 7, Block 2) by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association all assessments in the amount and manner hereinafter provided. All such

assessments, together with interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and a continuing lien upon the lot (but not any outlot or Lot 7, Block 2) against which each such assessment is made. Each such assessment, together with interest thereon and costs of collection thereof, shall also be the personal obligation of the person who was the Owner of such lot (other than outlots and Lot 7, Block 2) at the time when the assessment became due and payable.

4.12. Creation of Assessments. Assessments shall be determined, established and collected, in the following manner:

- (a) **Budget.** In December of each year starting in December 1998, the Board shall determine a budget for the ensuing calendar year, which shall include the costs to be incurred by the Association in connection with the maintenance, improvement and operation of common areas and plat signs, payment of taxes and insurance, and other costs connected therewith, including a reasonable reserve for depreciation and any financial assistance to be provided to the Design Review Committee under Section 4.10 above. Such budget shall be approved by a vote of two-thirds (2/3) of the Board on or before the last day of December each year. In addition to the foregoing, the Board shall have the power to budget from time-to-time, sums equal to the per lot park impact fee of the Village of Waunakee as adopted by the Village from time-to-time and currently found in Sec. 14-1-84(d) of the Waunakee Subdivision Ordinance, without regard to the budget requirements of this subsection, but any sums collected for such purpose shall be held and accounted for in a segregated fund by the Association.
- (b) **Limitation on Assessments.** The maximum annual assessment which may be authorized under this Article shall be \$25 for each lot to which the Association has the power to make assessments hereunder (excluding outlots and Lot 7, Block 2), until the actual annual costs of maintenance, improvement and operation of common areas and payment of taxes, insurance and other costs associated therewith, including a reasonable reserve for depreciation and any financial assistance to be provided to the Design Review Committee, shall exceed the annual revenue generated by an assessment of \$25 per lot, in which event the maximum assessment per lot shall be such actual costs of maintenance, improvement and operation of common areas and payment of taxes, insurance and other costs associated therewith, including a reasonable reserve for depreciation and any financial assistance to be provided to the Design Review Committee, divided equally among all lots as to which the Association has the power to make assessments hereunder (excluding outlots and Lot 7, Block 2). In addition to the foregoing, the Association has the power to assess the first purchaser from the

Developer of any lot, other than outlots, a sum equal to the then current per lot park impact fee of the Village of Waunakee as adopted from time-to-time and currently found in Sec. 14-1-84(d) of the Waunakee Subdivision Ordinance, to be collected at the time of closing.

- (c) **Declaration of Assessments.** The Board shall declare assessments so levied due and payable thirty (30) days from the date of such levy, except for assessments made pursuant to the last sentence of subsection (b) above which shall be due and payable from the purchaser at the time of closing. The Board shall notify each Owner of the action taken by the Board, the amount of the assessment against the lot owned by such Owner and the date such assessment becomes due and payable. Such notice shall be mailed to the Owner at the last known post office address by United States mail, with postage prepaid, or be personally delivered to the Owner.
- (d) **Collection of Assessments.** In the event any assessment levied against any lot remains unpaid for a period of sixty (60) days from the date of the levy, or from the date of closing with respect to park impact fee assessments, the Board may, in its discretion, file a claim for a maintenance lien against the lot for which payment is not made, and upon compliance with the provisions of Section 779.70, Wisconsin Statutes, or other applicable authority, such claim shall be and become a lien against such lot. The claim shall thereafter accrue interest at the rate of interest payable upon legal judgments in the State of Wisconsin, and the Board may exercise such remedies to collect such claim as may be afforded by law. The Owner of the subject lot shall be responsible for all costs of collection incurred by the Association in connection therewith. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of any common areas or abandonment of his lot.
- (e) **Joint and Several Liability of Grantor and Grantee.** Upon a voluntary conveyance, the grantee of a lot shall be jointly and severally liable with the grantor for all unpaid assessments as provided in this Article up to the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore, except that this sentence shall not cause the Developer to be liable for any park impact fee assessment to be paid at closing by any purchaser from Developer. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessments and any such grantee shall not be liable for, nor shall the lot conveyed be subject to a lien for, any unpaid assessment against the grantor pursuant to this Article in excess of the amount therein set forth. If the Association does not provide such a statement within ten (10)

business days after the grantee's request, it is barred from claiming any lien which is not filed prior to the request for assessments owed by the grantor.

4.13. Term. Article 4 hereof shall run with the land and shall be binding upon and inure to the benefit of all persons having an interest in the Property (other than Lot 7, Block 2) for a period of thirty (30) years after the Plat of Savannah Village, is recorded, after which Article 4 of this Declaration shall automatically stand renewed for successive five (5) year periods unless the same is canceled as provided in Section 4.14 below.

4.14. Cancellation, Release, Amendment or Waiver. Article 4 hereof, or any part thereof, may be canceled, released, amended or waived in writing as to some or all of the lots subject to this Declaration by an instrument signed by the Developer and the Owners of a majority of the lots (other than outlots and Lot 7, Block 2) subject to this Declaration, or if the Developer's rights under Article 3 of this Declaration have been assigned to or assumed by the Design Review Committee, then by an instrument in writing signed by both (a) the Owners of a majority of the lots (other than outlots and Lot 7, Block 2) subject to this Declaration, and (b) a majority of the Board of the Association.

4.15. Severability. Invalidation of any one of these covenants or any severable part of any covenant, by judgment or court order, shall not affect any of the other provisions, which shall remain in full force and effect, and the provision so invalidated shall be deemed reformed to the extent possible to cure any such defect.

All maintenance, replacement and repair costs for Outlot 3, Block 2, shall be paid by the owners of Lots 12 through 15, Block 2, in equal shares. Each such owner's share of such expenses shall be one-fourth (1/4) of the total of such costs or expenses. All maintenance, replacement and repair costs for Outlots 4 and 5, Block 2, and Outlots 1 and 2, Block 3, shall be paid by the owners of Lots 16 through 21, Block 2, and Lots 1 through 5, Block 3, in equal shares. Each such owner's share of such expenses shall be one-eleventh (1/11) of the total of such costs or expenses. The cost of maintenance and operation referred to with respect to any of the aforesaid outlots shall include any real property taxes or assessments, general or special, which shall be assessed against any of the aforesaid outlots in which such easements are located.

(C) Upon the conveyance of the first of any of the aforesaid (a) Lots 8 through 11, Block 2, or (b) Lots 12 through 15, Block 2, having any maintenance responsibility provided hereunder, by Developer by deed or land contract, there shall be formed a Maintenance Committee with respect to the applicable outlot to carry out and administer the maintenance obligations described herein, which Maintenance Committee shall consist of the owners of the lots designated above as having maintenance and repair responsibility with respect to the particular outlot, as they exist from time-to-time hereafter. The initial meeting of each Maintenance Committee shall be called by the Developer by written notice to each owner; thereafter, a meeting may be called by the owner of any two (2) such lots. All meetings of any Maintenance Committee shall be held at a reasonable time and place within the Village of Waunakee. Each Maintenance Committee may adopt rules for its operation and the use of any outlot with respect to which it has the obligation of maintenance, replacement and repair. Each platted lot designated above as having maintenance, replacement and repair responsibilities shall be a member of the applicable Maintenance Committee and shall have one (1) vote per platted lot, and the decisions of each Maintenance Committee shall be made by a majority of the applicable lot owners. Each Maintenance Committee (and the Association with respect to the costs of maintenance as to Outlots 4 and 5, Block 2, and Outlots 1 and 2, Block 3) shall bill each lot owner from time-to-time, but not less often than annually, for such owner's share of the costs incurred by each Maintenance Committee (or the Association) hereunder, which costs shall be payable upon demand. Each Maintenance Committee (or the Association) shall have a lien on the lot of any such owner (including any interest of such owner in any applicable outlot) where such owner has failed or refused to pay all or any part of the sums payable and assessed pursuant to the provisions of this section. Such lien will be junior to and in no way impair the lien or charge of any first mortgage on a lot, whether recorded before or after the recording

of this instrument. The lien may be perfected and foreclosed in such manner as is permitted by law in the name of the Maintenance Committee or any member thereof (or the Association). Maintenance, repair or replacement work may be performed by any Maintenance Committee or any member thereof, or by an independent contractor retained by any Maintenance Committee or by the Association or any member thereof or by an independent contractor. Any lot owner shall be entitled to a statement from the Maintenance Committee (or the Association) setting forth any unpaid obligations of such lot owner. If the Maintenance Committee (or the Association) does not provide such statement within ten (10) business days after the lot owner's request, the Maintenance Committee (or the Association) and the other lot owners are barred from claiming any lien which is not filed prior to such request.

5.5. Each owner of Outlot 2, Block 2, and Outlot 3, Block 2, shall maintain at all times public liability insurance against claims for death, bodily injury and property damage arising out of the outlot designated above. All insurance required by this section shall be in an amount of not less than \$300,000.00 with respect to any one death or bodily injury, and in an amount of not less than \$50,000.00 with respect to property damage from any one occurrence. Each owner of a lot which is subject to this provision shall provide to the applicable Maintenance Committee an appropriate certificate of insurance showing the required coverage, which coverage cannot be canceled without ten (10) days prior written notice to the Maintenance Committee. The Maintenance Committee may increase the minimum public liability coverage by a reasonable amount from time-to-time to reflect the effects of inflation.

5.6. Any award resulting from taking or condemnation of any portion or all of any outlot subject to this Article 5 will be distributed among the owners of such outlot, in equal shares, except to the extent that the use of such funds is necessary to replace the taken portion of such outlot to as near the original condition as is possible, in which event such funds shall be held in trust by the Maintenance Committee or Association and used for such purpose.

5.7. No termination, extension, modification, waiver or amendment of this Article 5 will be effective unless a written instrument setting forth the terms thereof has been executed, acknowledged and recorded in the office of the Register of Deeds of Dane County, Wisconsin, signed by (a) all of the owners of Lots 8 through 11, Block 2, with respect to Outlot 2, Block 2, (b) by all of the owners of Lots 12 through 15, Block 2, with respect to Outlot 3, Block 2, and (c) by all of the owners of Lots 16 through 21, Block 2, and Lots 1 through 5, Block 3, with respect to any of Outlots 4 and 5, Block 2, and Outlots 1 and 2, Block 3, (d) the Village of Waunakee in all instances, (e) the Association in all instances, and (f) the Developer in all instances so long as Developer is the owner of any lot within the Property.

5.8. Nothing contained in this instrument will be deemed to be a gift or dedication of any portion of any outlot referred to herein to the general public or to any public purpose whatsoever. The owners of any lots with respect to outlots

designated above, by written agreement of all of the owners of the applicable lots with respect to particular outlots, shall have the right to temporarily close all or any portions of the respective outlots to such extent as may, in the opinion of their counsel, be legally sufficient to prevent a dedication thereof or the accrual of any rights to any person or to the public therein, and to temporarily close, if necessary, by action of a majority of the applicable owners of any such outlots in order to permit repair.

5.9. Nothing contained in this Article 5 shall be construed to make any owner or any Developer, or their successors and assigns, partners or joint venturers of each other or to render any party liable for the debts or obligations of any other party, except as expressly provided in this Article 5.

5.10. No delay or omission by any party, or their successors and assigns, to exercise any right or power accruing upon any noncompliance or failure of performance by another party under the provisions of this Article 5 shall impair any such right or power or be construed to be a waiver hereof. A waiver of any party, or their successors and assigns, of any of the provisions of this Article 5 to be performed by another shall not be construed to be a waiver of any succeeding breach thereof or of any other provision contained herein.

5.11. If any provision or portion of this Article 5, or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Article 5 or the application of such provision, or portion thereof, to any other persons or circumstances shall be valid and enforceable to the fullest extent permitted by law.

5.12. All of the terms and provisions of this Article 5 are intended to be and shall be construed as perpetual easements and as easements and covenants running with the land, and shall be binding upon, for the benefit of and be enforceable by the owners of all of the lots designated herein, and all subsequent owners of such parcels or any parts thereof, by the Design Review Committee, by the Association, by the Village of Waunakee, by the applicable Maintenance Committee, and, so long as Developer owns any lot within the Property, by the Developer. The Village of Waunakee shall not be required to take any action hereunder.

5.13. Upon the reasonable request of any party, any other party shall execute and deliver, from time-to-time, a certificate confirming, if such then be the fact, that this Article 5 continues in full force and effect and unmodified (or, if modified, stating the modifications), and that the certifying party knows of no existing defaults by the other party, or if such default is known, specifying the same.

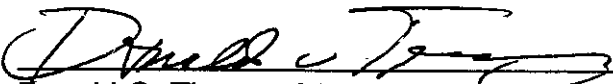

5.14. This Article 5 shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and assigns.

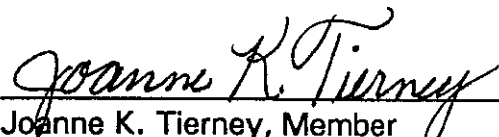

5.15. No breach of this Article 5 will entitle any party to cancel, rescind or otherwise terminate this instrument, but this limitation will not affect, in any manner, all other rights or remedies which the parties shall have by reason of any breach of this Article 5. In the event that any party shall default in the performance of any obligation hereunder, the applicable Maintenance Committee, any affected lot owner within the Property who is a member of the applicable Maintenance Committee, the Village of Waunakee, the Design Review Committee, the Association, and the Developer, so long as Developer owns any lot within the Property, may cause such default to be cured at the expense of the defaulting party, which sum the defaulting party shall pay upon demand, and in addition to the right to collect damages, may seek to enjoin such default in a court of competent jurisdiction, and recover the costs and expenses of any such action, including reasonable attorney fees. The Village of Waunakee shall not be required to take any action hereunder.

5.16. In each instance in which any owner of any lot referred to in this Article 5 conveys all or any part of their interest in any such lot and the appurtenant interest in any related outlot to a grantee, he, she or it will be deemed to be a new party hereto. On recording of any such conveyance with the Register of Deeds of Dane County, Wisconsin, which conveys the entirety of the grantor's interest in any of the lots referred to herein, and the related outlot, the conveying party will be released from any obligation under this Article 5 arising thereafter with respect to such lot and related outlot.

IN WITNESS WHEREOF, the undersigned have executed this instrument on this 17th day of March, 1998.
