Department of Administration

### GENERAL NOTES

- 1. All exterior boundary distances are to the nearest one-hundredth of a foot. All Bearings are measured to the nearest 01" of arc.
- 2. All curve measurements are found in the Curve Table. "L" designates a line measurement found in the Line Table.
- 3. All utility facilities in this plat are to be installed underground. All easements on this plat are for public utility purposes unless otherwise noted.
- 4. UTILITY EASEMENTS: No poles, pedestals, or buried cables are to be installed in such a manner that their placement would disturb a survey monument; nor obstruct visibility along lot lines.
- 5. Lot owners shall not alter drainage swales, roadside ditches, nor natural drainage ways on any lot without the written consent of the Village Board of Waunakee.
- 6. Vertical Datum refers to Mean Sea Level, 1929 NAVD.
- 7. All lots in this plat are to be served by public sanitary sewer and water services.
- 8. All lots in this plat are zoned Planned Unit Development (P.U.D.). Therefore setbacks and minimum yard requirements vary from lot to lot within this plat. Due to the special nature of P.U.D., zoning, such setbacks are not shown graphically but are addressed in several specific implementation plans to be submitted for various areas and phases within this plat.
- 9. Refer to the engineering plans for soil information.

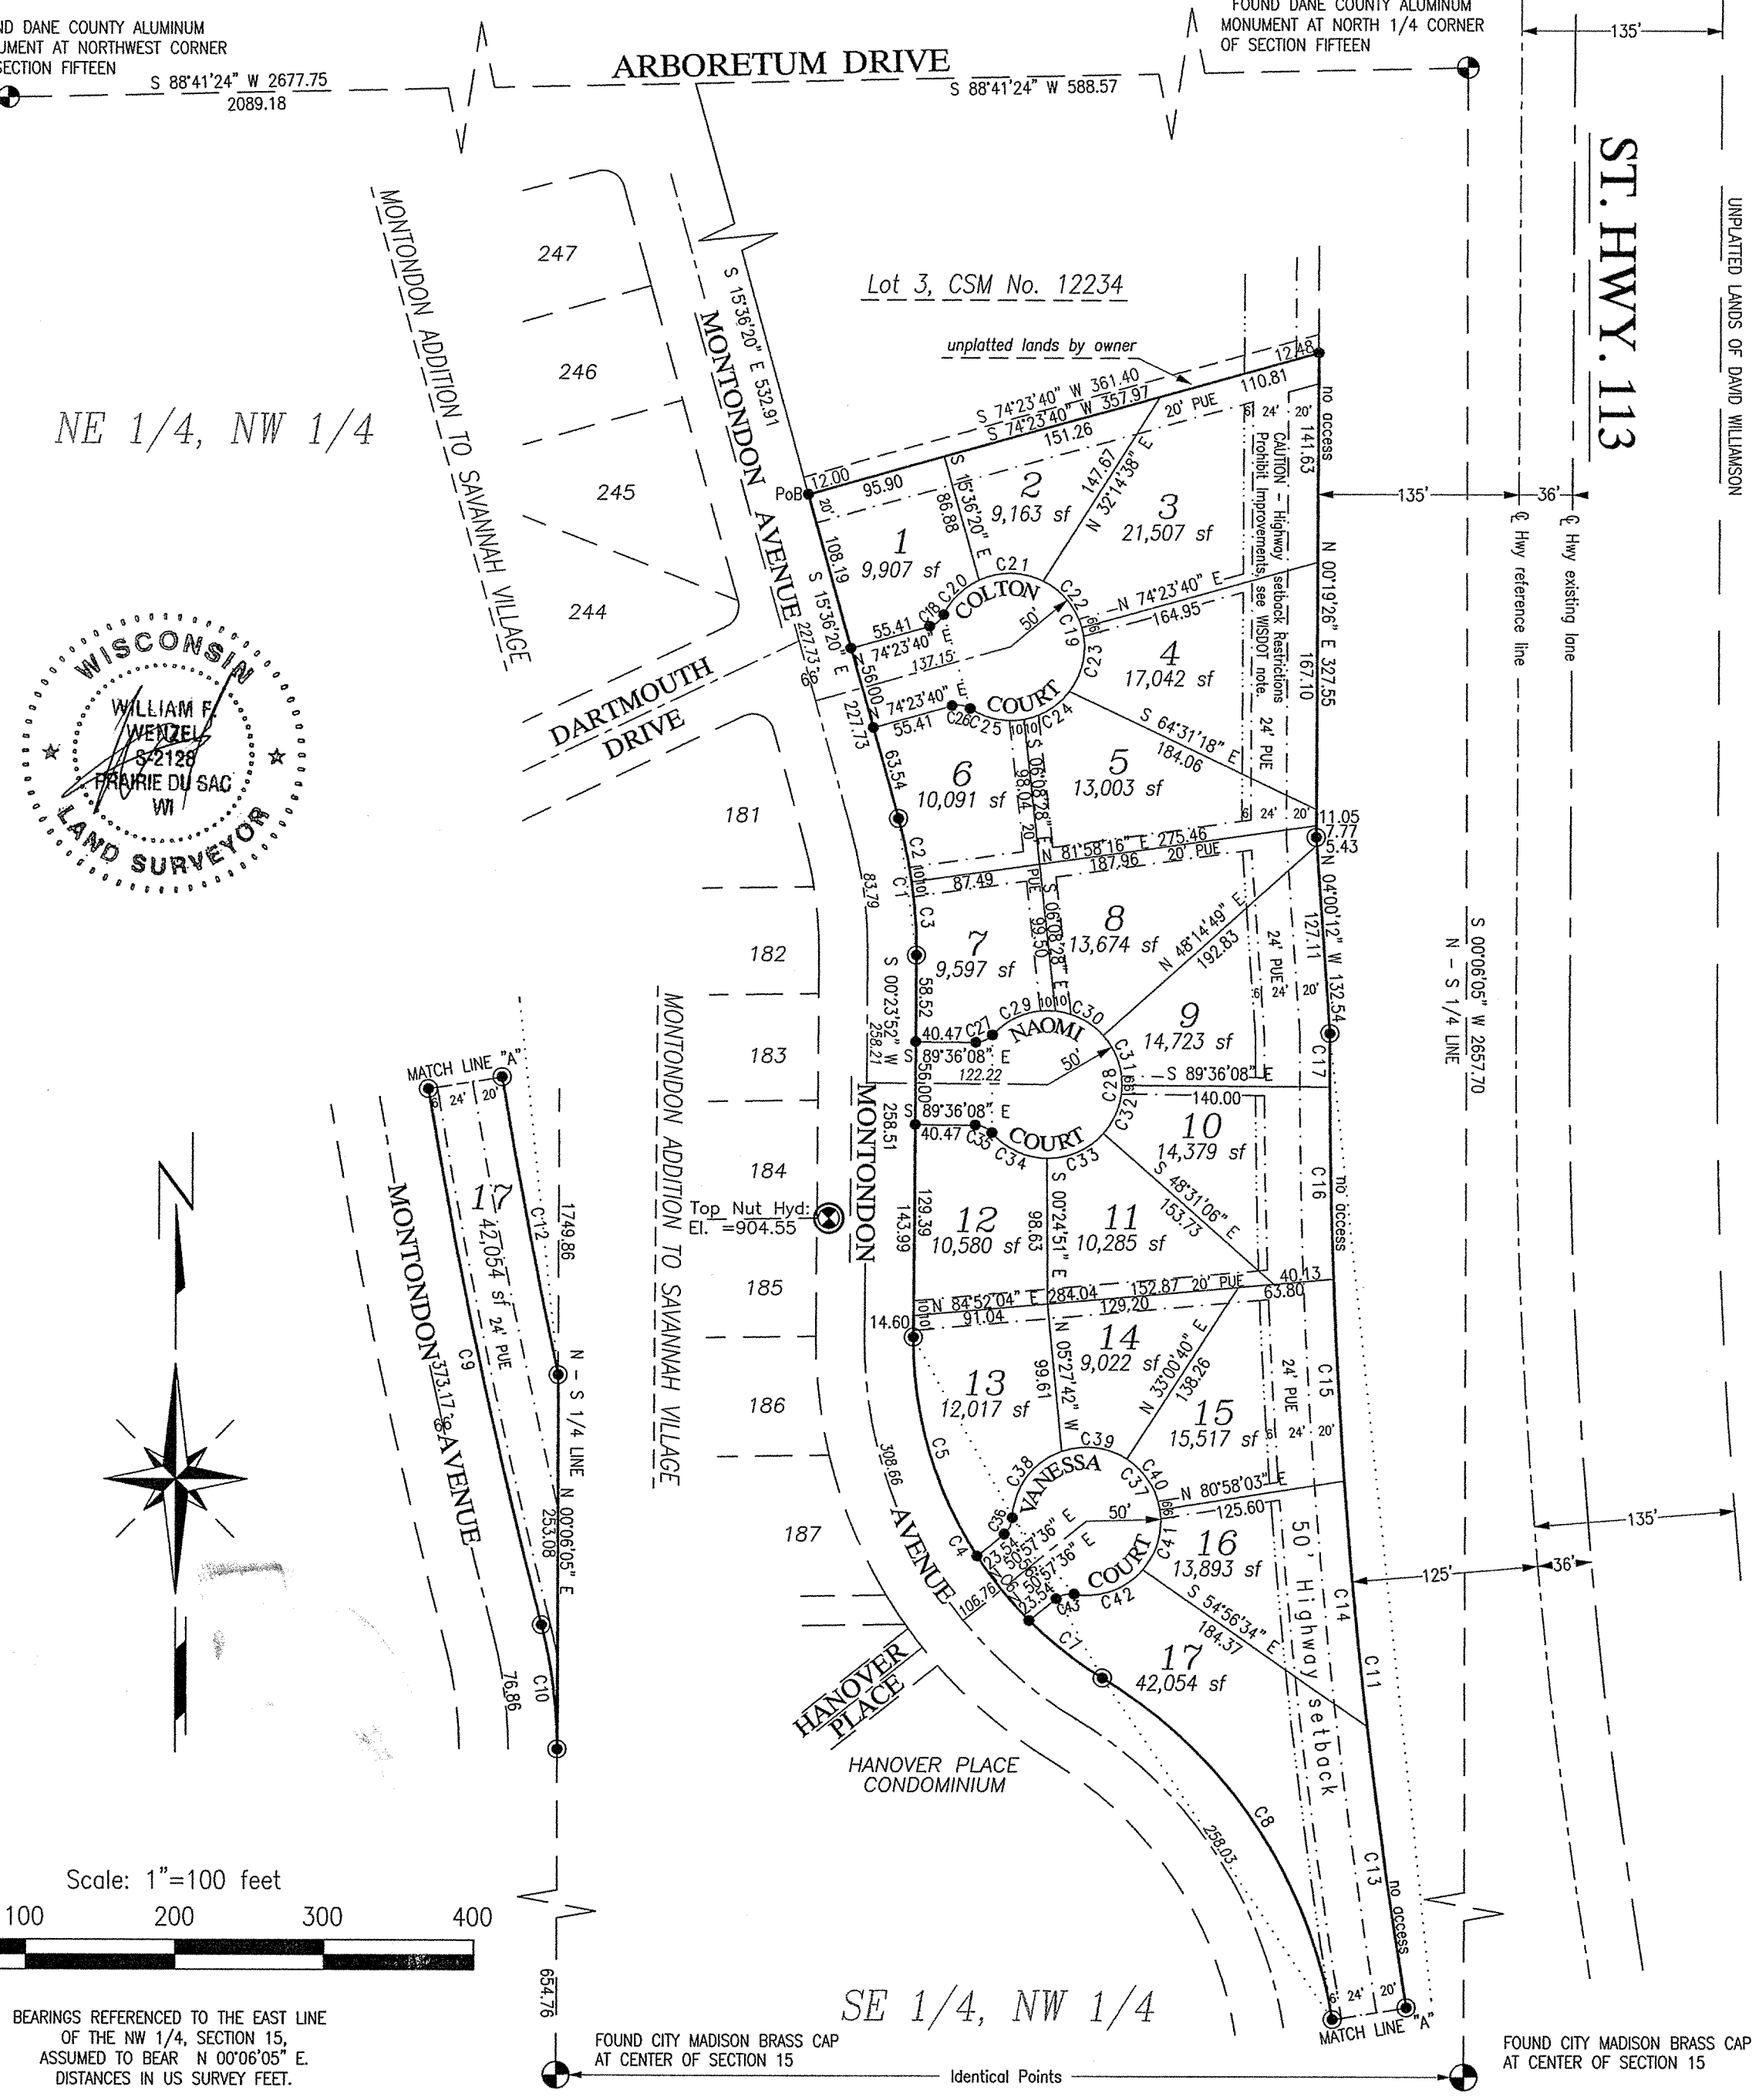

### WISDOT NOTES

No improvements or structures are allowed between the right-of-way line and the highway setback line. Improvements and structures include, but are not limited to, signs, parking areas, driveways, wells, septic systems, drainage facilities, buildings and retaining walls. Improvements do not include sidewalks, terraces, patios, landscaping and open fences. A public utility may erect, install or maintain a utility facility within a setback area, subject to s. Trans 233.08 (3m). It is expressly intended that this restriction is for the benefit of the public as provided in section 236.293, Wisconsin Statutes, and shall be enforceable by the Wisconsin Department of Transportation or its assigns. Contact the Wisconsin Department of Transportation for more information. The phone number may be obtained by contacting the County Highway Department.

All lots and blocks are hereby restricted so that no owner, possessor, user, licensee or other person may have any right of direct vehicular ingress from or egress to any highway lying within the right-of-way of S.H.W. 113 as shown on the land division map; it is expressly intended that this restriction is for the benefit of the public as provided in section 236.293, Wisconsin Statutes, and shall be enforceable by the Wisconsin Department of Transportation or its assigns.

The lots in this land division may experience noise at levels exceeding the levels in s. Trans 405.04, Table I. These levels are based on federal standards. The Department of Transportation is not responsible for abating noise from existing state trunk highways or connecting highways, in the absence of any increase by the department to the highway's through-lane capacity.

No structure or improvement of any kind is permitted within the vision corner. No vegetation within the vision corner may exceed 30 inches in height.

BEARINGS REFERENCED TO THE EAST LINE OF THE NW 1/4, SECTION 15, ASSUMED TO BEAR N 00°06'05" E. DISTANCES IN US SURVEY FEET.
